

Are you into anatomy, insects, or fossils?

Does building a bottle rocket or elastic-launched glider sound cool?

Do you want to explore science while having FUN?

Then you should join Marshall's **SCIENCE OLYMPIAD** Team!

Science Olympiad is nationwide competition where students participate in different science events, competing against other schools.

All science loving students and their parents

if you want to be added to the mailing list, **respond**
by May 30, 2017 at

marshallmiddlescioly@gmail.com

Registration will be online (September 2017). Suggested donation is \$125.

For more info, please visit http://soinc.org/short_event_descriptions.

Check out DIVISION B events.

What is Science Olympiad???

- An opportunity to participate and compete in team events in the areas of science, engineering and technology.
- Build and study events incl. Crime Busters, Anatomy and Physiology, Bottle Rocket, Dynamic Planet, Hovercraft, Disease Detectives to name a few (Most of the students compete in 2 – 4 events).
- Practices are held once in a week starting from September/October and ending in February.
- If you want to be added to the mailing list, **send us an email by May 30.**
- For more info contact Smita Sinha at marshallmiddlescioly@gmail.com
